3. Roll call of delegates; recognition of a quorum by the Secretary-General; declaration by the President that the Twenty-First Session of the General Assembly is constituted

The SG called the roll as follows:

Members present (40): AAV, AVS, ACV, BDA, CFA, CEBED, CISV, CVS, CBFA, DGF, FHF, FI, FRC, FRCSL, FSA, FOTW, CIDEC, GWAV, HS, HVK, HGZD, IVA, KVV, MZT, NVvV, NZFA, JAVA, NF, NAVA, RCVH, SSV, SEV, SVB, SGHAPG, SFV, SAVA, SVI, UHT, VAST, and WVRI.

Members absent (11): CFZ, HAVSOM, IHW, MBV, NFF, NEVA, PH, PTW, SRV, TWMF, and VSHS.

Officers present (3): Michel R. Lupant, President; Charles A. Spain, Jr., Secretary-General (SG); and Graham M.P. Bartram, Secretary-General for Congresses (SGC).

The SG announced that CSVA submitted a letter of resignation to the President on November 27, 2008, which lowered the total FIAV Members from 52 to 51 (see Info-FIAV number 25, page 3, 2009). The SG determined that 40 of the 51 Members were present, which satisfied the constitutional requirement that delegates of at least half of the Members be present. The SG recognized the presence of a quorum, and the President declared that the Twenty-First Session of the General Assembly was properly constituted.

Because the representatives of 40 Members and three Officers were present for a total of 43 possible votes, the SG reminded the General Assembly that a simple majority vote would require at least 22 votes, a two-thirds majority vote would require at least 29 votes, and a three-fourths majority vote would require at least 33 votes, as long as the persons authorized to exercise the 43 possible votes remained present.

4. Appointment by the President of tellers to count votes The President appointed Zachary Harden and Edward Kaye as tellers to count votes.

5. Approval of the minutes of the Twentieth Session of the General Assembly held August 7, 2007 in Berlin, Germany. Moved by the SG, seconded by CIDEC, “That the minutes of the Twentieth Session of the General Assembly, as published in Info-FIAV number 24, October 2007, be amended to change on page 1 ‘NAVA selected to organize ICV 23’ to ‘NAVA selected to organize ICV 24,’ and as so amended, be approved.” Passed by two-thirds majority.
6. Reports by the Board:

(a) President. Michel Lupant—The President expressed his wish that the discussions in the General Assembly would be plain, short, and respectful. He reminded delegates of the requirement that a motion be seconded and that during the General Assembly, only a delegate or officer has the right to speak and vote.

The President noted the cordiality of the Board and how it operated on the basis of a consensus. He thanked the SG and SCG for their hard work. Carrying out his objective to be an ambassador for FIAV, the President has visited 23 countries on 4 continents since GA 20. He attended vexilological meetings in Bulgaria, the Czech Republic, France, Germany, the Netherlands, South Africa, Texas (USA), and Switzerland. He has also met with authorities in the following countries: Bhutan, Botswana, China, Libya, North Korea, Madagascar, Sicily (Italy), Sikkim (India), South Korea, and Taiwan. He noted he has been in contact with vexilologists from Chile, China, Colombia, Estonia, Greece, Israel, Latvia, Pakistan, Serbia, and Uruguay, and he expressed hope that vexillological associations would develop in those countries.

He closed his remarks, as always, with “I wish you a good General Assembly.”

(b) Secretary-General. Charles Spain—The SG expressed his appreciation for the hard work of the President and the SCG. He pointed out that the Officers do not always initially agree with each other, but that the cordial and collegial nature of their relationship has always led to consensus decisions with which each Officer has been comfortable.

The SG again thanked Jon Radel for both Mr. Radel’s generosity in hosting the Internet domain www.fiav.org and providing e-mail addresses for the FIAV Officers, as well as having the foresight to reserve the domain in the first place. The SG thanked VAST for underwriting the cost of www.fiav.org.

The SG reported that four issues of Info-FIAV (numbers 24, 25, 26 and 27) were produced and distributed in the last two years. He noted that the amount of correspondence he received in the past two years was small, which he hoped was due to the fact that people were generally pleased with the direction the Board and FIAV have taken in recent years.

(c) Secretary-General for Congresses. Graham Bartram—The SG first thanked the President and SG for their assistance and second thanked the individuals who have volunteered to organize the Twenty-Third International Congress of Vexillology in Yokohama. He especially thanked Nozomi Kariyasu, Minu Takano, and the other individuals working with JAVA.

The SGC discussed a guide to organizing an ICV that he is developing in consultation with the President and SG. The guide is not a formal policy document, but is instead a codification of existing custom and practice to assist Congress organizers. When complete, the guide will be published in Info-FIAV.

The SGC attended IMEX 2009, the international exhibition for international association executives, held in Frankfurt, Germany. He reported that considerable resources exist to assist Congress organizers at no cost and that he would continue to work with Congress organizers to utilize these resources.

Finally, the SGC reported that tremendous progress has been made in eliminating the backlog on the publication of Congress proceedings.

7. Announcements:

(a) Proposals to organize ICV 25 (2013)—NVV, SVN, and SVPR for Rotterdam, The Netherlands from August 4 to 10, 2013.

(b) Proposals to organize ICV 26 (2015)—FSA for Sydney, Australia in late August to early September 2015, SAVA for Sandton (near Johannesburg), South Africa, and IVA for Hyderabad, Andhra Pradesh, India.

(c) Applicants for FIAV membership (arranged in order membership applications were received):

(i) New Zealand Flag Institute Trust (NZFIT) (received June 8, 2008 request for reconsideration of application originally received December 21, 2004). No representative present.

(ii) Stichting Vlaggenmuseum Nederland (SVN) (received July 2, 2008). Representative present.

(d) Candidates for the FIAV Board

(i) President. Michel Lupant announced his candidacy for reelection.

(ii) Secretary-General. Charles Spain announced his candidacy for reelection.

(iii) Secretary-General for Congresses. Graham Bartram announced his candidacy for reelection.

NAVA reported that ICV 24 will be held August 1 to 5, 2011, in the greater Washington, D.C. area. The proceedings will be published in Raven: A Journal of Vexillology.

9. Consideration of applicants for membership:

The President reminded the applicants that new Members may vote only after all applicants for membership have been considered.

(a) NZFIT—No representative was present. The Board made no recommendation on NZFIT’s admission, and the President did not solicit a motion.

(b) SVN—The Board recommended the admission of SVN. Moved by the SG, seconded by SSV, “That SVN be admitted as a Member.” Passed by two-thirds majority, increasing the number of FIAV Members to 52. SVN is the sixty-fourth association or institution admitted as a FIAV Member, of which twelve are no longer FIAV Members.

The President recognized SVN’s delegate, Joist Schokkenbroek, who was given a seat in the General Assembly. As a result, the number of Members present increased from 40 to 41 (3 Officers were still present), increasing
the total possible votes to 44. With the admission of one new Members, a simple majority vote would require at least 23 votes, a two-thirds majority vote would require at least 30 votes, and a three-fourths majority vote would require at least 33 votes, as long as the persons authorized to exercise the 44 possible votes remained present.

10. **Selection of ICV 25 (2013) organizer** Moved by the SGC, seconded by NF, “That NVvV, SVN, and SVPR be selected as the organizers for the Twenty-Fifth International Congress of Vexillology in 2013, to be held in Rotterdam, The Netherlands.” Passed by two-thirds majority. The tentative dates for ICV 25 are August 4 to 10, 2013.

11. **Selection of ICV 26 (2015) organizers** With the consent of the General Assembly, the President asked for a second for the candidacy of each potential ICV 26 organizer. CISV seconded FSA’s bid for Sydney, BDA seconded SAVA’s bid for Sandton, and MZT seconded IVA’s bid for Hyderabad. Again, with the consent of the General Assembly, an initial vote was taken to show support for the three possible venues, with the venue receiving the fewest number of votes to be removed from further consideration. Sydney and Sandton received the most votes.

   Moved by NAVA, seconded by FDC, “That SAVA be selected as the organizer for the Twenty-Sixth International Congress of Vexillology in 2015, to be held in Sandton, South Africa.” Failed.

   Moved by CBFA, seconded by NF, “That FSA be selected as the organizer for the Twenty-Sixth International Congress of Vexillology in 2015, to be held in Sydney, Australia.” Moved by SSV, seconded by CFA, “That the selection of FSA as the organizer for the Twenty-Sixth International Congress of Vexillology in 2015 be preliminary only.” Moved by NAVA, seconded by CISV, “That the question be called.” Motion to call the question passed by simple majority, and motion to amend failed. Main motion (“That FSA be selected as the organizer for the Twenty-Sixth International Congress of Vexillology in 2015, to be held in Sydney, Australia.”) passed by two-thirds majority.

12. **Consideration of HGZD’s resolution to amend the FIAV Constitution to define a failure to send a delegate to three consecutive General Assembly sessions as a voluntary resignation from FIAV** Moved by HGZD, seconded by the SGC, “That HGZD’s resolution to amend the FIAV Constitution to define a failure to send a delegate to three consecutive General Assembly sessions as a voluntary resignation from FIAV be approved.”

   **Resolution**

   Resolved by the Members of the Fédération internationale des associations vexillologiques,

   SECTION 1. AMENDMENT OF CONSTITUTION. Articles 8 is amended as follows:

   Art. 8

   (a) A Member voluntarily resigns if it does not send a delegate to three consecutive sessions of the General Assembly. The resignation is effective at the adjournment of the third consecutive session.

   (b) A [The voluntary resignation of any] Member may voluntarily resign by writing to [must be received in writing by] the President. The resignation is effective on the date of its receipt.

   (c) FIAV cannot reject a Member’s voluntary resignation.

   SECTION 2. COMMENT. To define a failure to send a delegate to three consecutive General Assembly sessions as a voluntary resignation. This comment is provided for explanatory purposes only and does not form part of the proposed amendment.

   SECTION 3. FONT. Additions to the Constitution are indicated by underlining and deletions to the Constitution are indicated by [enclosure in brackets and strikeouts]. If approved, the modified text shall appear in nonunderlined font without the bracketed and struck out text.

   SECTION 4. EFFECTIVE DATE. The amendment shall be immediately effective at the time of its approval; however, the first General Assembly session to which article 8 shall apply shall be the Twenty-Second Session in 2011. The first possible resignation under article 8(a) would, therefore, be at the adjournment of the Twenty-Fourth Session in 2015.

   Passed by the three-quarters majority required for constitutional amendments.
13. **Reconsideration of ASV’s proposed medals, ribbons, and lapel pins for Laureates of the Federation and Fellows of the Federation** Moved by the SG, seconded by CISV, “That AVS’s proposed medals, ribbons, and lapel pins for Laureates of the Federation and Fellows of the Federation be approved.” Passed by two-thirds majority.

Laureate of the Federation                                    Fellow of the Federation

14. **Discussion about publication of ICV proceedings in general and specific status of proceedings from:**

| ICV 5  | 1973 | London, United Kingdom | FI |
| ICV 9  | 1981 | Ottawa, Canada          | FRC, Heraldry Society of Canada, and NAVA |
| ICV 16 | 1995 | Warszawa, Poland        | CFZ, FDC, and PTW |
| ICV 19 | 2001 | York, England, United Kingdom | FI |
| ICV 21 | 2005 | Buenos Aires, Argentina | AAV and CIDEC |
| ICV 22 | 2007 | Berlin, Germany         | DGF |

The Board yet again expressed its belief that FIAV should do whatever is necessary to ensure that the proceedings from International Congress of Vexillology are published and that this issue continue to be discussed until a resolution is reached.
The SGC gave the following report:

**ICV 5:** completed; partial publication of proceedings

The Board applauded the tremendous progress that has been made on this issue and expressed its strong desire that future ICV proceedings be completed before the commencement of the next ICV.

15. Report of commission established by the Board to study SAVA’s proposal on behalf of Christopher Southworth, Terence Martin, and Andries Burgers to adopt vexillological conventions for flag descriptions, including possible amendments to the Flag Information Code. The FIAV Board in 2007 appointed the Vexillological Conventions for Flag Descriptions Commission composed of Graham Bartram, chair; Michael Clingman; Željko Heimer; Ivan Sarajčić; and Charles Spain. The SGC, as chair of the commission, stated the commission has no report at this time. The commission’s goal is to have a report for GA 22.

16. Election of 2009–2011 Board. Moved by NAVA, seconded by SSV, “That Michel Lupant, Charles Spain, and Graham Bartram be reelected as President, Secretary-General, and Secretary-General for Congresses, respectively.” Passed by simple majority.

17. Final adjournment of the Twenty-First Session by President. With no further business pending, the President adjourned the Twenty-First Session of the General Assembly with a loud bang of the FIAV Gavel at 8:15 p.m. without fixing a time and day for another meeting of the session, noting with approval that the session lasted for only 1.75 hours.
BEST PAPER AWARD

On August 17, 2009, the FIAV Board presented the Best Paper Award at the closing banquet, which was held at Workpia Yokohama. FIAV established the Best Paper Award in 2007. The Award recipient is chosen by a panel of three judges selected by the FIAV Board, which bases its decision on the quality of the paper’s contents, its presentation, and its appeal to the audience (the FIAV Board selected Charles Spain, Miru Takano, and Gerd Vehres as judges). NAVA graciously provides the plaque. The Best Paper Award recipient is Akira Kumagai for “Flags of Higher Schools in Imperial Japan 1894-1950.”

THE VEXILLON AWARD

On August 17, 2009, the FIAV Board presented the Vexillon Award at the closing banquet, which was held at Workpia Yokohama. FIAV established the Vexillon Award in 1989 to recognize the person or persons who have made the most important contribution to vexillology during the two years proceeding the International Congress of Vexillology. The FIAV Board selects the recipient of the Vexillon. The Flag Society of Australia graciously provides the plaque. The Vexillon Award recipient is Andries Burgers for The South African Flag Book: The History of South African Flags from Dias to Mandela.
Fellows of the Federation

On August 17, 2009, the FIAV Board presented Fellowships at the closing banquet, which was held at Workpia Yokohama. FIAV created the honor of the Fellow of the Federation in 2001 to acknowledge the efforts of persons who have made significant contributions to vexillology, or have contributed significant service to FIAV or to a FIAV Member. The new Fellows are Aleš Brozek, Andries Burgers†, Jan Oskar Engene, John Hall, Nozomi Kariyasu, Ludvík Mucha, Harry Oswald†, Jos Poels, Tomás Rodríguez Peñas, and Miru Takano.

Respectfully submitted,

MEMBERS

Please contact the Secretary-General at sec.gen@fiav.org concerning inaccurate, incomplete, or modified information.

A Member’s address is generally listed given in the standard format of the addressee’s country, except in this list all country names are given in English. Information on standard address formats is available on the Universal Postal Union’s web site at www.upu.int.

Each Member’s territory is listed to reflect the geographic status under which it was admitted to FIAV. Three FIAV Members were admitted as having a territory containing more than one country: NF, NAVA, and SAVA. FOTW was admitted as a Member with the understanding that its territory would correspond to the country in which its director resides. A Member’s territory is relevant for determining the effect of FIAV Constitution article 12(b).

Members are specifically encouraged to obtain an ISSN for all past and present periodical publications (information on obtaining an ISSN is available online from the ISSN International Centre in Paris at www.isss.org).

The distinction between full and associate membership, first introduced in 1989, was abolished in 2001. Unless otherwise noted, all Members admitted between 1989 and 2001 were admitted as Full Members.

STATUTES AND CONSTITUTION

The FIAV provisional council adopted provisional statutes on September 3, 1967. The FIAV statutes were formally adopted on September 7, 1969 and amended on September 29, 1983. The statutes were replaced by the current FIAV Constitution, which was adopted on September 27, 1989. The Constitution has been amended on August 12, 1997, July 29, 1999, July 23, 2001, August 7, 2007, and July 14, 2009.

The current text of the Constitution is set out below. It contains the exact text as adopted and amended.

CONSTITUTION OF THE FÉDÉRATION INTERNATIONALE DES ASSOCIATIONS VEXILLOLOGIQUES

I. NAME AND PURPOSES

Art. 1 The name of this association is the Fédération internationale des associations vexillologiques, which is abbreviated as "FIAV." The official translations of FIAV's name are: International Federation of Vexillological Associations (English); Internationale Föderation Vexillologischer Gesellschaften (German); and Federación Internacional de Asociaciones Vexilológicas (Spanish).

Art. 2 FIAV unites those associations and institutions throughout the world whose object is the pursuit of vexillology, which is the creation and development of a body of knowledge about flags of all types, their forms and functions, and of scientific theories and principles based on that knowledge.

Art. 3 FIAV has as its purposes:

(a) To create a strong bond among those associations and institutions and to encourage and coordinate their work, studies, and research;

(b) to promote the organization of International Congresses of Vexillology and to lend its support to their organizers;

(c) to encourage the creation in all countries of associations and institutions dedicated to vexillology; and

(d) to sanction international standards facilitating the development of these activities.

Art. 4 FIAV, being strictly scientific, has no commercial ends and renounces any political or religious activity or stand.

II. HEADQUARTERS

Art. 5 The administrative headquarters of FIAV are located at the residences of its two Secretaries-General. If necessary, the General Assembly may establish a legal headquarters for FIAV.

III. MEMBERSHIP

Art. 6 An applicant for membership in FIAV:

(a) must be an organization of the type expressed in article 2;

(b) must be committed to the purposes of FIAV expressed in article 3; and

(c) must be constituted in conformity with the laws of the country where it is located.

Art. 7 (a) Membership in FIAV is open to any association or institution anywhere in the world having as a substantial purpose the scientific study of vexillology.

(b) The processing of membership applications is the responsibility of the Board. The Board may delegate this responsibility to a person appointed by it for this purpose. The procedure consists of the following:

(1) The applicant shall submit a membership application, which must be received by the Board no later than six months before the convening of the next session of the General Assembly.
(2) The Board shall consider the application and make a recommendation to the General Assembly relative to the applicant and shall communicate that recommendation to the applicant and to existing Members not later than three months before the convening of the next session of the General Assembly.

(3) The Board may recommend acceptance of the applicant as a Member, or may recommend rejection of the applicant.

(4) The General Assembly at its next session shall vote on the application. An authorized representative of the applicant may appear at the session to represent its case. A rejected applicant has the right to reapply for membership at any later session of the General Assembly.

(c) The Board and the General Assembly, in making their decisions about an applicant, shall have regard to the following:

(1) the existence of a written constitution and its provisions;

(2) the vexillogical and non-vexillogical activities of the applicant, including meetings, publications, and international relations;

(3) in the case of an association, the number of its dues-paying members (minimum of five);

(4) registration of its members in International Congresses of Vexillology;

(5) the length of time it has existed; and

(6) the presence of an autochthonous and authorized representative of the applicant at the session of the General Assembly at which there is to be a vote on the application.

Art. 8
(a) A Member voluntarily resigns if it does not send a delegate to three consecutive sessions of the General Assembly. The resignation is effective at the adjournment of the third consecutive session.

(b) A Member may voluntarily resign by writing to the President. The resignation is effective on the date of its receipt.

(c) FIAV cannot reject a Member’s voluntary resignation.

Art. 9
At its discretion, the Board may require a Member to furnish evidence of its continued qualification for membership under the terms set forth in article 7. On the basis of this evidence, the Board may make a recommendation to the General Assembly on the continuation of the membership of the association or institution. If the recommendation is made to remove a Member from FIAV, the Member in question must be notified at least three months in advance of the session of the General Assembly at which there is to be a vote on the matter. The Member shall be invited to present its defense before the General Assembly, but shall not participate in the vote on the matter.

Art. 10
Each Member regulates its own affairs in complete freedom, limited only by the laws in effect in the territory where it functions. FIAV may not limit the rights of the Members in this respect.

Art. 11
Members shall not undertake any activities contrary to the interests of FIAV.

Art. 12
(a) FIAV may not act on behalf of its Members without their authorization expressed in the General Assembly. Members may not make commitments nor act on behalf of FIAV.

(b) Members may not hold international vexillogical meetings outside of International Congresses of Vexillology. Notwithstanding this prohibition, a Member holding a vexillogical meeting in any year in which no International Congress of Vexillology is held may invite participation by a Member from a contiguous country.
Art. 13 The General Assembly may name as “Laureates of the Federation” persons who have made outstanding contributions to vexillology. The General Assembly may delegate this power to the Board. The status as a Laureate does not confer any right within FIAV.

IV. THE GENERAL ASSEMBLY

Art. 14 (a) The General Assembly is composed of the Officers together with a delegate from each of the Members. Each delegate must present to the President written credentials from the Member represented. A Member may delegate any or all of its powers in writing to a delegate from any other Member or to an Officer.

(b) A session of the General Assembly is not constituted unless delegates of at least half of the Members are present, except as provided for in article 25.

(c) Each Member and each Officer is entitled to one vote in the General Assembly.

Art. 15 Majorities in the General Assembly consist of the following fractions of those Members present and voting:

(a) A simple majority in the election of Officers. If more than two candidates stand for election for an Office and no candidate receives a simple majority, then the candidate with the least votes shall be eliminated from the next ballot, and so on.

(b) A simple majority for a motion to amend a motion under consideration, to proceed to the next item of business on the agenda, to defer consideration of a motion, to refer a motion to a Commission, to appeal a ruling of the chair, for a record vote, or to adjourn a session of the General Assembly.

(c) Two-thirds for all other motions.

(d) Three-quarters for amendments to the Constitution or dissolution of FIAV.

Art. 16 The General Assembly:

(a) elects Officers;

(b) examines and approves the administration of the Board and the Commissions;

(c) examines all questions concerning FIAV and in particular the organization of the International Congresses of Vexillology;

(d) interprets the Constitution;

(e) names Laureates of the Federation pursuant to article 13 and awards such other distinctions as it deems appropriate to persons or institutions who have shown particular merit in the field of vexillology (this power may be delegated to the Board); and

(f) determines the amount and disposition of the annual dues, if any, to be paid by Members; and

(g) establishes such Commissions as it deems necessary and appoints Commissioners.

Art. 17 The General Assembly holds a session at least once every two years, normally on the occasion of each International Congress of Vexillology. The Board convenes a session of the General Assembly. The Board must give notice of the agenda, including any amendments to the Constitution or motion to dissolve FIAV, to all Members at least three months in advance of the session.

Art. 18 The General Assembly may be called into an emergency session if extraordinary conditions require this, as determined by the Board, or if three-quarters of the Members request this of the Board.
V. ADMINISTRATION

Art. 19  
(a) The administration of FIAV is entrusted to a Board which acts only by unanimous agreement. The Board is composed of three Officers: the President, the Secretary-General, and the Secretary-General for Congresses.

(b) The Officers are elected at the end of each session of the General Assembly and serve until the election of the new Officers at the next session of the General Assembly. Consent of the candidates for election is required. The Officers are eligible for re-election.

(c) The Secretary-General and the Secretary-General for Congresses must reside on different continents. The Secretary-General manages the Permanent Secretariat of FIAV and the Secretary-General for Congresses manages the Permanent Secretariat of the International Congresses of Vexillology. The Board is considered to be in continuous session, conducted by correspondence.

(d) A vacancy on the Board occurs if an Officer dies, resigns, or lacks mental capacity under the laws where the Officer resides. Absence of an Officer at a session of the General Assembly creates a vacancy on the Board unless excused by the General Assembly. The resignation of an Officer must be received in writing by another Officer, or if no Officer remains, then by the organizer of the next International Congress of Vexillology. The resignation is effective on the date of its receipt. If a vacancy occurs, the position shall remain vacant and the duties of that Officer shall be performed by the remaining Officers. If no Officer remains to perform the duties of the Board, then the organizer of the next International Congress of Vexillology shall select an interim Secretary-General from among the Fellows of the Federation, if available, who shall have the limited authority to take those acts necessary to convene a session of the General Assembly pursuant to article 17 or 18 and preside until the General Assembly elects a presiding officer for the remainder of the session.

Art. 20  
The Board:

(a) manages the current affairs of FIAV and establishes the duties and obligations of its Officers;

FLAG INFORMATION CODE

The Flag Information Code was adopted on August 27, 1981. The code has been amended on July 5, 1995 and July 23, 2001. The current text of the code is set out below. It contains the exact text as adopted and amended.

FLAG INFORMATION CODE

Sec. 1 The Fédération internationale des associations vexillologiques (FIAV) adopts this Flag Information Code and encourages its use by FIAV Members, individual vexillologists, publishers, and others who study flags.

Sec. 2 The purposes of the Code are:

(a) to allow basic information about flags to be recorded and transmitted concisely, accurately, and in a manner which (1) insofar as possible eliminates misunderstandings and (2) is both easy to learn and comprehensible to persons knowing different languages;

(b) to standardize knowledge of flags in order to facilitate comparative studies of flag characteristics;

(c) to provide a convenient system for researchers, publishers, and others to record, exchange, and publish information; and

(d) to eliminate, insofar as possible, the confusion that exists in the terminology employed by governments and others to describe national flags and their use.

Sec. 3 FLAG COLORS

(a) The following abbreviations indicate flag colors:

<table>
<thead>
<tr>
<th>Abbreviation</th>
<th>Color</th>
</tr>
</thead>
<tbody>
<tr>
<td>R</td>
<td>red</td>
</tr>
<tr>
<td>O</td>
<td>orange</td>
</tr>
<tr>
<td>Y</td>
<td>yellow</td>
</tr>
<tr>
<td>V</td>
<td>green</td>
</tr>
<tr>
<td>B</td>
<td>blue</td>
</tr>
<tr>
<td>P</td>
<td>purple</td>
</tr>
<tr>
<td>N</td>
<td>black</td>
</tr>
<tr>
<td>W</td>
<td>white</td>
</tr>
<tr>
<td>G</td>
<td>grey</td>
</tr>
<tr>
<td>M</td>
<td>brown</td>
</tr>
<tr>
<td>Au</td>
<td>gold</td>
</tr>
<tr>
<td>Ag</td>
<td>silver</td>
</tr>
</tbody>
</table>

(b) Colors other than those listed above are not abbreviated.

(c) The following symbols indicate approximate color shades:

- (light)
- - (very light)
+ (dark)
++ (very dark)

(d) The use of a color description without a symbol indicates a medium, normal, or unknown shade of the color.

Sec. 4 FLAG PROPORTIONS

Flag proportions are indicated by a ratio. The first figure corresponds to the width of the flag, which is defined as the side normally attached to the pole or staff. The second figure corresponds to the length of the flag. A flag with a width of 3 units and a length of 5 units is written either 3:5 or 3x5.
Sec. 5 NATIONAL FLAG USE

(a) The following grid is used to describe the use or uses of a flag whose primary purpose is to identify nationality rather than some other characteristic (such as the rank of an individual, the existence of a specific government or military institution, or some other concept):

(b) The six areas of the grid indicate the six basic uses of national flags: (1) use by private individuals and institutions on land; (2) use by nonmilitary governmental institutions on land; (3) use by military institutions on land; (4) use by private individuals and institutions at sea; (5) use by nonmilitary governmental institutions at sea; and (6) use by military institutions at sea. Private, nonmilitary governmental, and military use is indicated from left to right by the three vertical columns; use on land and at sea is indicated from top to bottom by the two horizontal rows.

(c) The grid is written or printed in the line of identifying text near the flag illustration, together with the ratio indicating proportions. The use or uses of the flag are indicated by placing a point (•) or an × in the appropriate area or areas of the grid.

Sec. 6 The flag information summarized by the Code is not a substitute for a specific textual description of a flag and its use or uses.

Sec. 7 An amendment to the Code may be adopted only by the FIAV General Assembly. Before the General Assembly considers an amendment, the amendment should be discussed by individuals attending the International Congress of Vexillology during which the General Assembly session will be held. FIAV Members and individual vexillologists are encouraged to propose amendments based on their experience in using the Code.

Adopted August 27, 1981 by the Seventh Session of the General Assembly held during the Ninth International Congress of Vexillology at Ottawa, Ontario, Canada.

Amended July 5, 1995 (III. A.) by the Fourteenth Session of the General Assembly held during the Sixteenth International Congress of Vexillology at Warszawa, Poland.

Amended July 23, 2001 (adding new section 1 and renumbering and amending remaining articles) by the Seventeenth Session of the General Assembly held during the Nineteenth International Congress of Vexillology at York, England, United Kingdom.
