*Info-FIAV No. 32  2  September 2011*
3. **Roll call of delegates; recognition of a quorum by the Secretary-General; declaration by the President that the Twenty-Second Session of the General Assembly is constituted**

The SG called the roll as follows:

Members present (35): AAV, ACV, BDA, CEBED, CISV, CVS, CBFA, DGF, FHF, FI, FRC, FRCVL, FSA, FOTW, GWAV, HS, HGZD, IHW, KVV, NVV, NEVA, JAVA, NF, NAVA, SSV, SEV, SVB, SGAPG, SFV, SAVA, SVN, SVI, UHT, VAST, and WVRI.

Members absent (17): AVS, CFA, CFZ, CIDEC, HVK, HAVSOM, IVA, MZT, MBV, NFF, NZFA, PH, PTW, RCVH, SRV, TWMF, and VSHS.

Officers present (3): Michel R. Lupant, President; Charles A. Spain, Jr., Secretary-General (SG); and Graham M.P. Bartram, Secretary-General for Congresses (SGC).

The SG determined that 35 of the 52 Members were present, which satisfied the constitutional requirement that delegates of at least half of the Members be present. The SG recognized the presence of a quorum, and the President declared that the Twenty-Second Session of the General Assembly was properly constituted.

Because the representatives of 35 Members and three Officers were present for a total of 38 possible votes, the SG reminded the General Assembly that a simple majority vote would require 20 votes, a two-thirds majority vote would require 26 votes, and a three-fourths majority vote would require 29 votes, as long as the persons authorized to exercise the 38 possible votes remained present.

4. **Appointment by the President of tellers to count votes**

The President appointed Marcus Schmöger and Gustav Tracchia as tellers to count votes.

5. **Approval of the minutes of the Twenty-First Session of the General Assembly held July 14, 2009 in Yokohama, Japan**

Moved by the SG, seconded by NF, “That the minutes of the Twenty-First Session of the General Assembly, as published in *Info-FIAV* No. 28, at pages 1–11 (October 2009), be amended (1) to change on page 3 ‘Joist Schokkenbroek’ to ‘Joost Schokkenbroek,’ (2) to change in item 6 on page 4 ‘the Netherlands’ to ‘The Netherlands,’ (3) to change in item 9(b) on page 4 ‘Joist Schokkenbroek’ [sic, should have been spelled Joost Schokkenbroek] to ‘Marcel van Westerhoven,’ and (4) to change in the appendix on pages 10 and 11 the three references to ‘August 17, 2009’ to ‘July 17, 2009’ as the date The Best Paper Award, the Vexillon Award, and the Fellows of the Federation were presented, and as so amended, that the minutes be approved.” Passed by two-thirds majority.

6. **Reports by the Board:**

(a) President. Michel Lupant—The President expressed his wish that the discussions in the General Assembly would be plain, short, and respectful. He reminded delegates of the requirement that a motion be seconded and that during the General Assembly, only a delegate or officer has the right to speak and vote.

The President noted the cordiality of the Board and how it operated on a consensus basis. He thanked the SG and SGC for their hard work, describing them as the “pillars of FIAV.”

Carying out his objective to be an ambassador for FIAV, the President has visited 19 countries on 4 continents since GA 21. He attended vexilological meetings in France, Georgia, and Spain. He met with authorities in the following countries: Azerbaijan, Georgia, Guam (USA), Micronesia, Northern Marianas Islands, and Palau. He visited with local people in Armenia, Bermuda (United Kingdom), Columbia, Ecuador, Maldives, Oman, and Panama. He had planned to meet with Kumaran Fernando, founder of the Flag Research Centre of Sri Lanka, but the visit instead was a tribute to our late friend. He traveled to Rotterdam, The Netherlands, where he was joined by the SGC to discuss ICV 25 (2013). He noted that FIAV had received membership applications from the Bulgarian Heraldry and Vexillology Society (BHVS) and The Flag Foundation of Nigeria (FFN), as well as interest in forming Egyptian and Moroccan organizations, but all of these organizations contacted the Board after the February 2, 2011 deadline to submit membership applications. Finally, the President noted that despite multiple attempts to contact the Instituto Brasileiro de Vexilologia (IBV), the Board has not received any response.
The President closed his remarks, as is his tradition, with “I wish you a good General Assembly.”

(b) Secretary-General. Charles Spain—The SG expressed his appreciation for the hard work of the President and the SGC. He pointed out that the Officers do not always initially agree with each other, but that the cordial and collegial nature of their relationship has always led to consensus decisions with which each Officer has been comfortable.

The SG again thanked Jon Radel for both Mr. Radel’s generosity in hosting the Internet domain www.fiav.org and providing e-mail addresses for the FIAV Officers, as well as having the foresight to reserve the domain in the first place. The SG discussed the upgrade to www.fiav.org and thanked VAST for assisting with the that cost, which was USD$604.97 in the past biennium.

The SG reported that four issues of Info-FIAV (numbers 28, 29, 30 and 31) were produced and distributed in the last two years. He noted that the amount of correspondence he received in the past two years was small, which he hoped was due to the fact that people were generally pleased with the direction the Board and FIAV have taken.

The SG explained that the FIAV Board has purchased the medals, ribbons, and lapel pins for Laureates of the Federation and Fellows of the Federation, as approved by the General Assembly in 2009, as well as engraved color certificates and certificate presentation folders so that FIAV can recognize FIAV Members and individuals. The cost of the medals, ribbons, and lapel pins was USD$4,051.97 and the cost of the engraved color certificates and certificate presentation folders was USD$1,376.61. These expenses were personally paid for by the individual FIAV Officers with assistance from VAST. In light of the cost of these recognition items and the prohibitive expense of international postage, the SG asked the assistance of all present at the Congress to take and deliver the recognition items to any recipient who is not present. [Note: Roman Klímeš merited special recognition for the number of certificates he volunteered to deliver, earning him temporary status as FIAV Postmaster-General].

The SG received membership applications from BHVS and FFN, as well as interest in forming Egyptian and Moroccan organizations, but all of these organizations contacted the Board after the February 2, 2011 deadline to submit membership applications. The Board has decided that beginning with GA 23 in 2013, the Board, absent extraordinary circumstances, will not recommend the admission of a new Member unless one or more representatives from the applicant have participated in a previous ICV. Similar to a delegate to the General Assembly, an applicant’s representative need not be directly affiliated with the applicant.

The SG explained that the Board has created an emergency contact list to be used if something were to happen to one or more of the Board members. The Board has also created an inventory of FIAV property. This information has been shared with the Secretaries-General emeritus and the current Congress organizers.

The SG, in jest, mentioned that major structural renovations have been made to the Permanent Secretariat in the past year, all at no cost to FIAV.

(c) Secretary-General for Congresses. Graham Bartram—The SGC first thanked the individuals members of NAVA and CBFA who have volunteered to organize the Twenty-Fourth International Congress of Vexillology.

The SGC attended IMEX 2011, the international exhibition for international association executives, held in Frankfurt, Germany. He reported that considerable resources exist to assist Congress organizers at no cost and that he would continue to work with Congress organizers to utilize these resources. He also visited several cities to examine their conference facilities, including Dublin and Cork (Ireland), Rome (Italy), and Kuching (Sarawak, Malaysia). The SGC traveled to Rotterdam, The Netherlands, where he was joined by the President to discuss ICV 25 (2013).

The SGC discussed the publication of Congress Proceedings, and congratulated JAVA, and specifically Nozomi Kariyasu FF and Zachary Harden, for completing publication of the ICV 23 Proceedings after the untimely death of Miru Takano FF. The SGC also noted that NAVA had completed a report on the publication of the ICV 9 Proceedings.

The SGC asked for an expression of interest in organizing ICV 27 in Portsmouth, England, United Kingdom. The SGC then discussed that the Board has agreed that at least once every ten years FIAV should sponsor an ICV outside the usual “comfort zone” of Europe, North America, and Australia and meet in Africa, Asia, or Central/South America. In order to achieve this, it may be necessary for the Board to work with Members to organize a Congress in a country in which FIAV either does not currently have a representative Member or has a Member that may not be able to organize a Congress by itself.

Finally, the SGC thanked the President and SG, remarking that the Board really is a team effort.

7. **Presentation of certificates to current Members**

The Board presented certificates, signed by all three current Board members, to all current Members.

8. **Announcements:**

(a) Applicants for FIAV membership (arranged in order membership applications were received):

(i) Здружение / Macedonian Heraldry Society (MHZ) (received February 1, 2011). Representative present.

(ii) Stichting Vlaggenparade Rotterdam (SVPR) (received January 21, 2011). Representative present.

(iii) Македонско Хералдичко Здружение / Macedonian Heraldry Society (MHZ) (received February 1, 2011). Representative present.

(b) Candidates for the FIAV Board

(i) President. Michel Lupant announced his candidacy for reelection.

(ii) Secretary-General. Charles Spain announced his candidacy for reelection.
9. Report on ICV 25 (Rotterdam, 2013) organized by NVvV, SVN, and SVPR Marcel van Westerhoven, on behalf of NVvV, SVN, and SVPR, delivered an overview of ICV 25, which will be held August 5–9, 2013. The venue for the Congress will be the Beurs/World Trade Center building in central Rotterdam. The Congress website is already online at www.nfc2013.com.

10. Report on ICV 26 (Sydney, 2015) organized by FSA Anthony Burton and Ralph Kelly FF, on behalf of FSA, delivered an overview of ICV 26, which is tentatively scheduled to be held the first week in September 2015, as a part of the Anzac Centennial. FSA has already secured significant corporate sponsorship and donations for the Congress. The venue for the Congress will be the Telstra Experience Centre in Sydney, and a Congress flag has been chosen.

11. Consideration of applicants for membership:

The President reminded the applicants that new Members may vote only after all applicants for membership have been considered.

(a) SCHG—The Board recommended the admission of SCHG. Moved by the SG, seconded by NAVA, “That SCHG be admitted as a Member.” Passed by two-thirds majority, increasing the number of FIAV Members to 53. SCHG is the sixty-fifth association or institution admitted as a FIAV Member, of which twelve are no longer FIAV Members.

(b) SVPR—The Board recommended the admission of SVPR. Moved by the SG, seconded by NF, “That SVPR be admitted as a Member.” Passed by two-thirds majority, increasing the number of FIAV Members to 54. SVPR is the sixty-sixth association or institution admitted as a FIAV Member, of which twelve are no longer FIAV Members.

(c) MHZ—The Board recommended the admission of MHZ. Moved by the SG, seconded by SSV, “That MHZ be admitted as a Member.” Passed by two-thirds majority, increasing the number of FIAV Members to 55. MHZ is the sixty-seventh association or institution admitted as a FIAV Member, of which twelve are no longer FIAV Members.

The President recognized SCHG’s delegate, Tamta Meleashvili, SVPR’s delegate, Marcel van Westerhoven, and MHZ’s delegate, Jovan Jonovski, who were given seats in the General Assembly and membership certificates signed by the three Board members in the presence of the General Assembly. As a result, the number of Members present increased from 35 to 38 (3 Officers were still present), increasing the total possible votes to 41. With the admission of three new Members, a simple majority vote would require 21 votes, a two-thirds majority vote would require 28 votes, and a three-fourths majority vote would require 31 votes, as long as the persons authorized to exercise the 41 possible votes remained present.

The President allowed Peter Yanachkov of the BHVS to address the General Assembly. BHVS will apply for membership at GA 23 in 2013.

12. Discussion about publication of ICV Proceedings in general and specific status of Proceedings from:

| ICV 9  1981  | Ottawa, Canada | FRC, Heraldry Society of Canada, and NAVA |
| ICV 23  2009 | Yokohama, Japan | JAVA |

NAVA asked anyone in the vexillological community who may have a copy of one of the not-yet-published papers, or is aware of its publication, to contact navanews@nava.org. NAVA also asked Members to participate in NAVA’s VexIndex project to create a shared database to index the world’s vexillological literature. The SG pointed out that Constitution article 23(a) provides that Info-FIAV “may be freely reproduced,” so NAVA can include Info-FIAV in the project.

ICV 23: published

The Board applauded the completion of publication of the past Proceedings from the International Congresses of Vexillology and the fact that this issue has finally been resolved. The Board further expressed its desire that the Proceedings be published no later than the commencement of the next Congress and that certificates for ICV organizers would not be presented until the Congress Proceedings were published.

13. Presentation of certificates ICV organizers  The Board presented certificates, signed by all three current Board members, to all current Members that have been ICV organizers if publication of the Proceedings has occurred or a final report has been accepted by the General Assembly.

14. Report of Vexillological Conventions for Flag Descriptions Commission  The FIAV Board in 2007 appointed a commission composed of Graham Bartram, chair; Michael Clingman; Željko Heimer; Ivan Sarajčić; and Charles Spain. The SGC, as chair of the commission, stated the commission has no report at this time and announced that the Board has reconstituted the commission to consist of Graham Bartram, chair; Željko Heimer; and Charles Spain. The commission’s goal is to have a report for GA 23.

15. Election of 2011–2013 Board  Moved by NAVA, seconded by SSV, “That Michel Lupant, Charles Spain, and Graham Bartram be reelected as President, Secretary-General, and Secretary-General for Congresses, respectively.” Passed by simple majority (acclamation).

16. Canvas of Members that did not send a delegate for purposes of Constitution article 8  The SG confirmed that the following Members did not send a delegate to the Twenty-Second Session of the General Assembly: AVS, CFA, CFZ, CIDEK, HVK, HAVSOM, IVA, MZT, MBV, NFF, NZFA, PH, PTW, RCVH, SRV, TWMF, and VSMS. Any of these Members that do not send a delegate to both the Twenty-Third and Twenty-Fourth Sessions of the General Assembly will voluntarily resign as a Member effective at the adjournment of the Twenty-Fourth Session (2015).

17. Final adjournment of the Twenty-Second Session by President  With no further business pending, the President adjourned the Twenty-Second Session of the General Assembly with a loud bang of the FIAV Gavel at 5:30 p.m. without fixing a time and day for another meeting of the session, noting with approval that the session lasted for only two hours.

APPENDIX TO THE MINUTES

BEST PAPER AWARD

On August 5, 2011, the FIAV Board presented The Best Paper Award at the closing banquet, which was held in the Grand Masonic Hall of The George Washington Masonic Memorial. The Best Paper Award, established in 2005, recognizes outstanding scholarship and presentation of a paper at an International Congress of Vexillology. The recipient is selected by a panel appointed by the FIAV Board consisting, if possible, of a representative of the Congress.
**THE VEXILLON AWARD**

On August 5, 2011, the FIAV Board presented the Vexillon Award at the closing banquet, which was held in the Grand Masonic Hall of The George Washington Masonic Memorial. The Vexillon, established in 1989, has developed into an award for the most important contribution to vexillology during the two years preceding an International Congress of Vexillology. The recipient is selected by the FIAV Board. The award consists of a certificate signed by the Board and a plaque. The Vexillon is graciously sponsored by the Flag Society of Australia Inc. The Vexillon Award recipient is Anne M. Platoff for *Russian Regional Flags: The Flags of the Subjects of the Russian Federation*.

**FELLOWS OF THE FEDERATION**

On August 5, 2011, the FIAV Board presented Fellowships at the closing banquet, which was held in the Grand Masonic Hall of The George Washington Masonic Memorial. The honor of Fellows of the Federation was established in 2001. Fellows are named by the FIAV Board for significant contributions to vexillology and/or for rendering significant service to FIAV or a FIAV Member. The award consists of a certificate signed by the Board and a medal bearing the central knot device of the FIAV flag suspended from a chest ribbon of blue and yellow, the colors of the FIAV flag, as well as a miniature ribbon and a lapel pin. Fellows may use the post-nominal FR. Fellows are named only when there are worthy recipients. The new Fellows are Hugh L. Brady, Michael Faul, Scot M. Guenter, Zachary Harden, Roman Klimeš, John A. Lowe, and Jan Henrik Munksgaard.

Respectfully submitted,

Charles A. Spain, Jr.
FIAV Secretary-General

ICV 25 FLAG

The Stichting Vlaggenmuseum Nederland (SVN), the Stichting Vlaggenparade Rotterdam (SVPR) and the Nederlandse Vereniging voor Vlaggenkunde (NVV)—the organizers of the Twenty-Fifth International Congress of Vexillology 2013—asked the Dutch flag designer and vexillologist Theun Okkerse to design a flag/logo for the Netherlands Flag Congress 2013/ICV 25.

The Congress flags designed for earlier ICVs show a great variety. Old traditions in color and shape play an important role in the designs. The knotted rope—the FIAV symbol—is often shown and/or a mark that stands for the Congress number. Combinations of a mark and the symbol are often shown on the flags as well. Thanks to the lack of precise design criteria, a rich variety of flags has grown.

Starting points for the design of the ICV 25 flag have been the Congress country and the Congress city as well as the flag history and tradition.

The Netherlands has two flag main streams: the bar flags and the flare flags ("jack"). The latter are exclusively used in the shipping industry. The Dutch Royal Navy is allowed to fly the "double" jack; other ships the single.

Because of the connection of this flag model (jack) with "water" it is appropriate to connect it to Rotterdam as a world port. The original red-white-blue "tapers" have been transformed to the Rotterdam colors green-white-green. The pennant as well has its own Dutch character: during the Queen’s birthday an orange pennant is shown above the Dutch red-white-blue flag. The FIAV supplement gets, in accordance with the Dutch tradition, an honorary place by way of a blue pennant with the "FIAV knotted rope in yellow."

The ICV25 flag became in this way clear by shape and color with a vexillological reference to the geographical situation of Rotterdam and the tradition of the Dutch flag.

ICV 26 Flag

After canvassing members via Crux Australis numbers 92 and 93, the Flag Society of Australia’s ICV 26 committee in the last 12 months deliberated over some 50 versions of concepts, suggestions, and designs offered. The final design, selected at the Sydney meeting of FSA in May was unveiled at the FIAV General Assembly at ICV 24 in Alexandria on August 2, 2011.

The flag was designed by Tony Burton, and it blends heraldry and geometry to bring a sense of pageantry and festive occasion.

Departing from previous ICV convention, the committee determined along the way that it needed a graphic design for general Congress use and for publicity that could be adapted to both a flag and a badge, rather than a flag used as a logo.

This perspective has produced an unusual graphic and what might be considered a ceremonial banner for the formal display at Congress opening and closing ceremonies, and outdoor hoisting as venues might require, and an adaptable, emblem for wider use in the lead up to the Congress.

The design is a composite of the Congress logo laid over a simple background of the Sydney Harbour Bridge doubling as a bridge between vexillologists.

Its several layers of meaning draw upon an unorthodox, though not exactly novel, technique of shape-shifting. Shape-shifting is a graphic design tool whereby part of one symbol is part of another—adding to economy in design in which a variety of symbolism is desired. The technique is illustrated in the ICV 8 flag, and in fact this flag strongly influenced the ICV 26 emblem.

In keeping with an emphasis on actual people who make a Congress and share ideas, the key element in the design is a stylized human figure that is also part of the assembly of Roman numerals indicating that the 2015 International Congress is the twenty-sixth. At the same time, the head of this figure doubles as Alpha Crucis in the Southern Cross constellation above. The unusual spherical presentation also stands in for “thought bubbles” to suggest that participants have their minds on the various flags unfurling, these in turn represented by the three cursive shapes directly adjacent (two explicit, the third represented by a void).

The colors are also significant. Blue and gold are those of FIAV and the City of Sydney. Blue, white, and red are those of the Australian National Flag, while red and gold evoke the ochres of the oldest continent. The gold and red arcs suggest the sun on the Aboriginal flag rising over the red monolith of Uluru—emphasizing that this Congress is hosted in Australia, though the lighter shade of blue also suggests a south Pacific setting.

The specific color shades are blue PMS 288, yellow PMS 7406, and red PMS 200.

Several suggestions referred, stylised or literally, to the Opera House as emblematic of Sydney. However Australia is more than Sydney. In the end, the committee felt that the landmark Bridge spanning its equally iconic harbor was a stronger symbol than a tourist landmark. Metaphorically, it links Congress participants from many shores.

At a less obvious level there are references to the host Society’s flag and emblem, the Southern Cross and kangaroo vexomorph adopted at the 1989 Congress. (ICV 26 will be the first held in Australia since ICV 13 in Melbourne 26 years before).

Some of the more esoteric symbolism is deliberately ironic. The hosts juggle with organizing the Congress; the golden arch of the Harbour Bridge might also be the Yellow Brick Road that leads participants to meet the flag wizards of Oz and hopefully to where they want to be. Certainly not in Kansas any more, participants reflect on the flags at Congress and on its other realities.
MEMBER CANDIDATES

Note: An “autochthonous and authorized representative of the applicant” must be present at the session of the General Assembly at which there is to be a vote on the application.

The Best Paper Award, established in 2005, recognizes outstanding scholarship and presentation of a paper at an International Congress of Vexillology. The recipient is selected by a panel appointed by the FIAV Board consisting, if possible, of a representative of the Congress organizers, flag manufacturers, and vexillologists. The award consists of a certificate signed by the Board and a pewter tray. The Best Paper Award is sponsored by the North American Vexillological Association.

**ACTIONS BY THE FIAV BOARD**

Since ICV 24, the Board has taken the following actions:

- It is the current practice of the Board to consider recognizing the Congress Organizing Representatives (a maximum of three people jointly selected by the Congress organizer(s)) as Fellows of the Federation at the closing banquet of the International Congress of Vexillology. The Board, however, will consider recognizing a Congress Organizing Representative who is the editor of the Congress Proceedings as a Fellow only after the publication of the Proceedings.

- In selecting the recipient of the Vexillon, the Board will consider as a factor whether the potential recipient is known to the community of vexillologists who participate in ICVs and/or participate in the activities of FIAV Members.
INTERNATIONAL CONGRESSES OF VEXILLOLOGY

Each Congress organizer(s) is responsible for publishing its volume of the Proceedings of the International Congresses of Vexillology. Individual volumes of the Proceedings have been published unless noted below. It is the sense of the FIAV Board and General Assembly that every volume should be published.

MEMBERS

Please contact the Secretary-General at sec.gen@fiav.org concerning inaccurate, incomplete, or modified information.

A Member’s name is given in the language or languages which the Member specified when it joined FIAV.

A Member’s address is generally listed given in the standard format of the addressee’s country, except in this list all country names are given in English. Information on standard address formats is available on the Universal Postal Union’s web site at www.upu.int.

Each Member’s territory is listed to reflect the geographic status under which the Member was admitted to FIAV. Three FIAV Members were admitted as having a territory containing more than one country: NF, NAVA, and SAVA. FOTW was admitted as a Member with the understanding that its territory would correspond to the country in which its director resides. See Info-FIAV number 19, pages 22 (2001). A Member’s territory is relevant for determining the effect of FIAV Constitution article 12(b).

Members are specifically encouraged to obtain an ISSN for all past and present periodical publications (information on obtaining an ISSN is available online from the International Centre for the Registration of Serial Publications at www.issn.org).

The distinction between full and associate membership, first introduced in 1989, was abolished in 2001. Unless otherwise noted, all Members admitted between 1989 and 2001 were admitted as Full Members.

The Secretary-General should be notified of any substantive changes in a Member’s status, i.e., a change of name, territory, or anything affecting the basic membership requirements set out in Constitution articles 6 and 7(a), so the change in status can be communicated to the General Assembly.

STATUTES AND CONSTITUTION

The FIAV provisional council adopted provisional statutes on September 3, 1967. The FIAV statutes were formally adopted on September 7, 1969 and amended on September 29, 1983. The statutes were replaced by the current FIAV Constitution, which was adopted on September 27, 1989. The Constitution has been amended on August 12, 1997, July 29, 1999, July 23, 2001, August 7, 2007 and July 14, 2009.

The current text of the Constitution is set out below. It contains the exact text as adopted and amended.

CONSTITUTION OF THE FÉDÉRATION INTERNATIONALE DES ASSOCIATIONS VEXILLOGIQUES

I. NAME AND PURPOSES

Art. 1 The name of this association is the Fédération internationale des associations vexillologiques, which is abbreviated as “FIAV.” The official translations of FIAV’s name are: International Federation of Vexillological Associations (English); Internationale Föderation Vexillologischer Gesellschaften (German); and Federación Internacional de Asociaciones Vexilológicas (Spanish).

Art. 2 FIAV unites those associations and institutions throughout the world whose object is the pursuit of vexillology, which is the creation and development of a body of knowledge about flags of all types, their forms and functions, and of scientific theories and principles based on that knowledge.

Art. 3 FIAV has as its purposes:

(a) To create a strong bond among those associations and institutions and to encourage and coordinate their work, studies, and research;

(b) to promote the organization of International Congresses of Vexillology and to lend its support to their organizers;

(c) to encourage the creation in all countries of associations and institutions dedicated to vexillology; and

(d) to sanction international standards facilitating the development of these activities.

Art. 4 FIAV, being strictly scientific, has no commercial ends and renounces any political or religious activity or stand.

II. HEADQUARTERS

Art. 5 The administrative headquarters of FIAV are located at the residences of its two Secretaries-General. If necessary, the General Assembly may establish a legal headquarters for FIAV.

III. MEMBERSHIP

Art. 6 An applicant for membership in FIAV:

(a) must be an organization of the type expressed in article 2;

(b) must be committed to the purposes of FIAV expressed in article 3; and

(c) must be constituted in conformity with the laws of the country where it is located.

Art. 7 Membership in FIAV is open to any association or institution anywhere in the world having as a substantial purpose the scientific study of vexillology.

(b) The processing of membership applications is the responsibility of the Board. The Board may delegate this responsibility to a person appointed by it for this purpose. The procedure consists of the following:
(1) The applicant shall submit a membership application, which must be received by the Board no later than six months before the convening of the next session of the General Assembly.

(2) The Board shall consider the application and make a recommendation to the General Assembly relative to the applicant and shall communicate that recommendation to the applicant and to existing Members not later than three months before the convening of the next session of the General Assembly.

(3) The Board may recommend acceptance of the applicant as a Member, or may recommend rejection of the applicant.

(4) The General Assembly at its next session shall vote on the application. An authorized representative of the applicant may appear at the session to represent its case. A rejected applicant has the right to reapply for membership at any later session of the General Assembly.

(c) The Board and the General Assembly, in making their decisions about an applicant, shall have regard to the following:

1. the existence of a written constitution and its provisions;
2. the vexillological and non-vexillological activities of the applicant, including meetings, publications, and international relations;
3. in the case of an association, the number of its dues-paying members (minimum of five);
4. registration of its members in International Congresses of Vexillology;
5. the length of time it has existed; and
6. the presence of an autochthonous and authorized representative of the applicant at the session of the General Assembly at which there is to be a vote on the application.

Art. 8 (a) A Member voluntarily resigns if it does not send a delegate to three consecutive sessions of the General Assembly. The resignation is effective at the adjournment of the third consecutive session.

(b) A Member may voluntarily resign by writing to the President. The resignation is effective on the date of its receipt.

(c) FIAV cannot reject a Member’s voluntary resignation.

Art. 9 At its discretion, the Board may require a Member to furnish evidence of its continued qualification for membership under the terms set forth in article 7. On the basis of this evidence, the Board may make a recommendation to the General Assembly on the continuation of the membership of the association or institution. If the recommendation is made to remove a Member from FIAV, the Member in question must be notified at least three months in advance of the session of the General Assembly at which there is to be a vote on the matter. The Member shall be invited to present its defense before the General Assembly, but shall not participate in the vote on the matter.

Art. 10 Each Member regulates its own affairs in complete freedom, limited only by the laws in effect in the territory where it functions. FIAV may not limit the rights of the Members in this respect.

Art. 11 Members shall not undertake any activities contrary to the interests of FIAV.

Art. 12 (a) FIAV may not act on behalf of its Members without their authorization expressed in the General Assembly. Members may not make commitments nor act on behalf of FIAV.

(b) Members may not hold international vexillological meetings outside of International Congresses of Vexillology. Notwithstanding this prohibition, a Member holding a
vexillological meeting in any year in which no International Congress of Vexillology is held may invite participation by a Member from a contiguous country.

Art. 13 The General Assembly may name as “Laureates of the Federation” persons who have made outstanding contributions to vexillology. The General Assembly may delegate this power to the Board. The status as a Laureate does not confer any right within FIAV.

IV. THE GENERAL ASSEMBLY

Art. 14 (a) The General Assembly is composed of the Officers together with a delegate from each of the Members. Each delegate must present to the President written credentials from the Member represented. A Member may delegate any or all of its powers in writing to a delegate from any other Member or to an Officer.

(b) A session of the General Assembly is not constituted unless delegates of at least half of the Members are present, except as provided for in article 25.

(c) Each Member and each Officer is entitled to one vote in the General Assembly.

Art. 15 Majorities in the General Assembly consist of the following fractions of those Members present and voting:

(a) A simple majority in the election of Officers. If more than two candidates stand for election for an Office and no candidate receives a simple majority, then the candidate with the least votes shall be eliminated from the next ballot, and so on.

(b) A simple majority for a motion to amend a motion under consideration, to proceed to the next item of business on the agenda, to defer consideration of a motion, to refer a motion to a Commission, to appeal a ruling of the chair, for a record vote, or to adjourn a session of the General Assembly.

(c) Two-thirds for all other motions.

(d) Three-quarters for amendments to the Constitution or dissolution of FIAV.

Art. 16 The General Assembly:

(a) elects Officers;

(b) examines and approves the administration of the Board and the Commissions;

(c) examines all questions concerning FIAV and in particular the organization of the International Congresses of Vexillology;

(d) interprets the Constitution;

(e) names Laureates of the Federation pursuant to article 13 and awards such other distinctions as it deems appropriate to persons or institutions who have shown particular merit in the field of vexillology (this power may be delegated to the Board); and

(f) determines the amount and disposition of the annual dues, if any, to be paid by Members; and

(g) establishes such Commissions as it deems necessary and appoints Commissioners.

Art. 17 The General Assembly holds a session at least once every two years, normally on the occasion of each International Congress of Vexillology. The Board convenes a session of the General Assembly. The Board must give notice of the agenda, including any amendments to the Constitution or motion to dissolve FIAV, to all Members at least three months in advance of the session.

Art. 18 The General Assembly may be called into an emergency session if extraordinary conditions require this, as determined by the Board, or if three-quarters of the Members request this of the Board.
V. ADMINISTRATION

Art. 19 (a) The administration of FIAV is entrusted to a Board which acts only by unanimous agreement. The Board is composed of three Officers: the President, the Secretary-General, and the Secretary-General for Congresses.

(b) The Officers are elected at the end of each session of the General Assembly and serve until the election of the new Officers at the next session of the General Assembly. Consent of the candidates for election is required. The Officers are eligible for re-election.

(c) The Secretary-General and the Secretary-General for Congresses must reside on different continents. The Secretary-General manages the Permanent Secretariat of FIAV and the Secretary-General for Congresses manages the Permanent Secretariat of the International Congresses of Vexillology. The Board is considered to be in continuous session, conducted by correspondence.

(d) A vacancy on the Board occurs if an Officer dies, resigns, or lacks mental capacity under the laws where the Officer resides. Absence of an Officer at a session of the General Assembly creates a vacancy on the Board unless excused by the General Assembly. The resignation of an Officer must be received in writing by another Officer, or if no Officer remains, then by the organizer of the next International Congress of Vexillology. The resignation is effective on the date of its receipt. If a vacancy occurs, the position shall remain vacant and the duties of that Officer shall be performed by the remaining Officers. If no Officer remains to perform the duties of the Board, then the organizer of the next International Congress of Vexillology shall select an interim Secretary-General from among the Fellows of the Federation, if available, who shall have the limited authority to convene a session of the General Assembly pursuant to article 17 or 18 and preside until the General Assembly elects a presiding officer for the remainder of the session.

Art. 20 The Board:

(a) manages the current affairs of FIAV and establishes the duties and obligations of its Officers;

(b) issues directives which it considers necessary to the success of the activities of FIAV, including the International Congresses of Vexillology;

(c) establishes such Commissions as it deems necessary and appoints Commissioners;

(d) convenes sessions of the General Assembly pursuant to articles 17 and 18;

(e) represents FIAV in its relations with other national and international institutions; and

(f) manages membership procedures pursuant to article 7 and encourages vexillographical associations and institutions to apply for FIAV membership.

Art. 21 FIAV’s assent to an agreement imposing a binding obligation on FIAV may only be given by a written document signed by all Officers. Current correspondence may be signed by any single Officer.

VI. LANGUAGES

Art. 22 The official languages of FIAV and the International Congresses of Vexillology are English, French, German, and Spanish. Other languages may be used when appropriate.

VII. PUBLICATIONS
Art. 23 (a) FIAV shall publish a newsletter concerning its activities at least once a year for the benefit of its Members, which may be freely reproduced. The General Assembly may initiate or authorize other publications.

(b) The Flag Bulletin (ISSN 0015-3370) is recognized as a journal for the publication of scientific articles in the field of vexillology.

VIII. SYMBOLS

Art. 24 (a) FIAV’s flag is described as follows: “On a blue field, extending horizontally from hoist to fly, two yellow halyards forming two interlaced loops.” The color blue is defined as Pantone Matching System U293 and the color yellow is defined as Pantone Matching System U123. The Flag is illustrated as follows:

![Flag Illustration]

(b) The General Assembly may initiate or authorize other symbols for FIAV.

IX. DISSOLUTION

Art. 25 (a) A motion to dissolve FIAV may be considered only at a session of the General Assembly at which delegates of at least three-quarters of the Members are present.

(b) Instead of sending a delegate, a Member may choose to submit to the President a written, notarized statement expressing that Member’s vote in favor of, or in opposition to, the motion to dissolve. A Member that submits any such statement shall be considered present at the session for the purpose of determining that the session is constituted to consider a motion to dissolve.

(c) The General Assembly establishes the terms of the dissolution.

Adopted September 27, 1989 by the Eleventh Session of the General Assembly held during the Thirteenth International Congress of Vexillology at Ballarat, Victoria, Australia.

Amended August 12, 1997 (article 14(a)) by the Fifteenth Session of the General Assembly held during the Seventeenth International Congress of Vexillology at Cape Town, Western Cape, South Africa.

Amended July 29, 1999 (adding new article 1 and renumbering and amending remaining articles) by the Sixteenth Session of the General Assembly held during the Eighteenth International Congress of Vexillology at Victoria, British Columbia, Canada.

Amended July 23, 2001 (eliminating the distinction between Full and Associate Members and amending articles 15 and 23) by the Seventeenth Session of the General Assembly held during the Nineteenth International Congress of Vexillology at York, England, United Kingdom.
Amended August 7, 2007 (articles 19(d) and 24) by the Twentieth Session of the General Assembly held during the Twenty-Second International Congress of Vexillology at Berlin, Germany.

Amended July 14, 2009 (article 8) by the Twenty-First Session of the General Assembly held during the Twenty-Third International Congress of Vexillology at Yokohama, Japan. **Note:** The first General Assembly session to which article 8 applied was the Twenty-Second Session in 2011. The first possible resignation under article 8(a) would, therefore, be at the adjournment of the Twenty-Fourth Session in 2015.
FLAG INFORMATION CODE

The Flag Information Code was adopted on August 27, 1981. The code has been amended on July 5, 1995 and July 23, 2001. The current text of the code is set out below. It contains the exact text as adopted and amended.

FLAG INFORMATION CODE

Sec. 1 The Fédération internationale des associations vexillologiques (FIAV) adopts this Flag Information Code and encourages its use by FIAV Members, individual vexillologists, publishers, and others who study flags.

Sec. 2 The purposes of the Code are:

(a) to allow basic information about flags to be recorded and transmitted concisely, accurately, and in a manner which (1) insofar as possible eliminates misunderstandings and (2) is both easy to learn and comprehensible to persons knowing different languages;

(b) to standardize knowledge of flags in order to facilitate comparative studies of flag characteristics;

(c) to provide a convenient system for researchers, publishers, and others to record, exchange, and publish information; and

(d) to eliminate, insofar as possible, the confusion that exists in the terminology employed by governments and others to describe national flags and their use.

Sec. 3 FLAG COLORS

(a) The following abbreviations indicate flag colors:

R (red)
O (orange)
Y (yellow)
V (green)
B (blue)
P (purple)
N (black)
W (white)
G (grey)
M (brown)
Au (gold)
Ag (silver)

(b) Colors other than those listed above are not abbreviated.

(c) The following symbols indicate approximate color shades:

- (light)
- - (very light)
+ (dark)
++ (very dark)

(d) The use of a color description without a symbol indicates a medium, normal, or unknown shade of the color.

Sec. 4 FLAG PROPORTIONS

Flag proportions are indicated by a ratio. The first figure corresponds to the width of the flag, which is defined as the side normally attached to the pole or staff. The second figure corresponds to the length of the flag. A flag with a width of 3 units and a length of 5 units is written either 3:5 or 3x5.
Sec. 5  NATIONAL FLAG USE

(a) The following grid is used to describe the use or uses of a flag whose primary purpose is to identify nationality rather than some other characteristic (such as the rank of an individual, the existence of a specific government or military institution, or some other concept):

(b) The six areas of the grid indicate the six basic uses of national flags: (1) use by private individuals and institutions on land; (2) use by nonmilitary governmental institutions on land; (3) use by military institutions on land; (4) use by private individuals and institutions at sea; (5) use by nonmilitary governmental institutions at sea; and (6) use by military institutions at sea. Private, nonmilitary governmental, and military use is indicated from left to right by the three vertical columns; use on land and at sea is indicated from top to bottom by the two horizontal rows.

(c) The grid is written or printed in the line of identifying text near the flag illustration, together with the ratio indicating proportions. The use or uses of the flag are indicated by placing a point (•) or an × in the appropriate area or areas of the grid.

Sec. 6  The flag information summarized by the Code is not a substitute for a specific textual description of a flag and its use or uses.

Sec. 7  An amendment to the Code may be adopted only by the FIAV General Assembly. Before the General Assembly considers an amendment, the amendment should be discussed by individuals attending the International Congress of Vexillology during which the General Assembly session will be held. FIAV Members and individual vexillologists are encouraged to propose amendments based on their experience in using the Code.

Adopted August 27, 1981 by the Seventh Session of the General Assembly held during the Ninth International Congress of Vexillology at Ottawa, Ontario, Canada.

Amended July 5, 1995 (III. A.) by the Fourteenth Session of the General Assembly held during the Sixteenth International Congress of Vexillology at Warszawa, Poland.

Amended July 23, 2001 (adding new section 1 and renumbering and amending remaining articles) by the Seventeenth Session of the General Assembly held during the Nineteenth International Congress of Vexillology at York, England, United Kingdom.
